

Merdon Whiteboard

January 2014

Well it's the start of a new year and a new whiteboard. I hope you will bear with me as I get to grips with trying to find things to fill this space each month. It has been a strange old year at the club with an almost completely new committee and two long standing members of the club leaving us for pastures new Up North .

As a new shooting year starts, we have a new target on the field. It is a foam target so no more stuck arrows and moaning from the training wheels archers (Hang on that's me!) I have tried to carry on in Gerry's tradition of suggesting shoots for each Sunday (see page 2). These can be changed on the day if required or more than one round can be shot at the same time (eg some can shoot a New National while the wimps shoot a National! I have chosen the rounds to allow shooters to achieve their 1st, 2nd and 3rd class badges by the end of the year. For a bit of fun, I have added in a wand shoot in June so we can spend the day looking for each others arrows, and a York in August. If everyone is happy I think we should start at 10:00 for the York and stop for tea and cake after the 100 yard range is finished.

If you have anything you would like to see on here just let me know

Items for Sale

If you have any old equipment you would like to sell drop me a email and I will add it on here . I'm jonathan.dawkins1@ntlworld.com

The club takes no responsibility for sale of any goods between members

Committee members

Rob Norris	Chairman & Child Protection Officer
Ken Bleach	Life President
Drew Collier	Treasurer
Bill Tubbs	Field Officer
Julie Stringer	Tournament Secretary
Phil Stringer	Records Officer
Mark Gowing	Secretary
Jon Dawkins	Equipment Officer

We all bid a fond farewell to Gerry and Louise and hope to see them again at the Merdon or the Agincourt Arrow. I would like to thank them for all the help and work they have put into the club and hope they settle in to their new club "Up North" where I believe they don't shoot at targets but use black puddings and whippets
